

Fire Prevention Week

Open House

Sunday October 4th from 1-3 pm Station 7 fire hall will host a fire prevention open house.

Mid Island Fire Equipment will be on hand to check and recertify your household and marine fire extinguishers and will have a limited number of new ones for sale.

Smoke alarms with batteries will be available for the rock bottom discount price of \$10 each on a first come first served basis.

Kids, join us for the Fire Fitness Challenge course and don your own turn-out gear. Take home a free fire hat and safety package. (Parents bring your cameras.)

Don't forget to bring your emergency escape plans to enter them in the free draw for prizes you won't want to miss. Blank forms are available on the bulletin boards.

Parents, as an added bonus Nanaimo Fire Rescue's Child Passenger Safety Educator will be on hand to weigh and measure kids to ensure that their car seats are right for their size, and answer any questions parents have about BC's Child Car Seat Laws and proper car seat installation.

Refreshments and cookies will be served.
